Mellon Investor Services provides clients with a variety of services related to bankruptcy and class action settlement distributions. Whether acting as the settlement administrator or distribution agent, Mellon Investor Services can prepare materials, coordinate required mailings, receive claimants' proof of eligibility and distribute settlement proceeds in accordance with court orders.

Mellon Investor Services relies on its core capabilities as the leading Disbursing Agent and Exchange Agent as well as its award-winning Information Agent capabilities to provide superior settlement services.

### Client Benefits

- *Capability* ~ Mellon Investor Services performs over 400 Corporate Action events annually involving receipt of instruction forms and delivery of cash or shares. We have extensive call center capabilities with highly trained representatives. In addition, together with Dreyfus Corporation, a sister company, Mellon can provide a variety of strategic cash investment alternatives.
- *Experience* ~ Mellon Investor Services has acted as administrator or paying agent on many transactions involving a variety of class action categories including securities, product and manufacturing as well as bankruptcy settlements.
- *State-of-the-Art Technology* ~ Mellon Investor Services' processing system has the breadth and sophistication to handle claims and bankruptcy processing quickly and accurately, and to process complex proration calculations. With high-tech scanning technology, claim tracking is easy.
- *One-Stop-Shop* ~ Mellon Investor Services offers customers the only integrated product suite from claims administration to information agent, investment manager and processing agent. With Mellon Investor Services' superior project management, the entire transaction comes together seamlessly.
- *Flexibility* ~ Mellon Investor Services works with clients to offer tailored solutions to meet specific needs.
