<p>What investment services and advice can you provide me?</p>	<p>We offer discretionary and nondiscretionary investment advisory services to retail investors and institutional clients.</p> <p>Separately Managed Accounts Our retail clients invest almost exclusively in our municipal bond fixed income strategy pursuant to the terms of a discretionary separately managed account agreement. Our retail clients enter into this agreement directly with us or through a third party registered investment adviser.</p> <p>Third party wrap programs We sub-advise separate account portfolios and provide model portfolios for wrap programs (collectively, Wrap Programs) sponsored by third parties (Program Sponsors). In a traditional Wrap Program, we have discretionary authority in the client’s account consistent with client-specified investment restrictions and pursuant to the terms of the agreement with the Program Sponsor and/or client. In model portfolio Wrap Programs, we provide model portfolios to the Program Sponsor, who then executes transactions on behalf of the clients. We do not have discretionary trading authority over client accounts in model portfolio Wrap Programs.</p> <p>As part of our standard services we actively monitor your account for any changes in positioning relative to benchmark, performance, attribution, dispersion and other characteristics.</p> <p>For additional information, please see our Form ADV Part 2A which can be found at Mellon Investments Corporation Form ADV Part 2A (Firm Brochure).</p> <p>Conversation Starters. <p>What fees will I pay?</p>	<p>Separately Managed Accounts We provide investment advisory separate account services for a fee. This fee is typically charged as a percentage of your assets under our management. While this fee is typically expressed as an annual percentage, it is calculated based on the market value of your account at month end, quarter end or based on an average and generally invoiced on a monthly or quarterly basis in arrears. We will adjust management fees for significant cash flows during the billing period on a pro-rata basis. If you retain a third party adviser they may charge you additional fees.</p> <p>Third party Wrap Programs The Program Sponsor will generally charge you an inclusive “wrap” fee based on a percentage of assets under management and will typically pay us a portion of that fee. The wrap fee includes most transaction costs and fees and is therefore higher than a typical asset-based advisory fee. The</p>

	<p>Program Sponsor will provide you information about the wrap fee and how frequently it is assessed. The more assets there are in your account, the more you will pay in fees. Thus, we may have an incentive to encourage you to increase the assets in your account.</p> <p>You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.</p> <p>For additional information, please see our Firm Brochure which can be found at Mellon Investments Corporation Form ADV Part 2A.</p> <p>Conversation Starter. <p>What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?</p>	<p>When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours.
